

# eKenko

Massage Chair

**HC 1053**

# L Track Massage & Full Coverage Massage

## L Track

An L-track massage chair features a massage track that extends from the neck to the glutes and hamstrings, providing full-body coverage and relief for sitting-related tension.

## Personalized Massage Experience

The eKenko offers a fully customizable massage experience. You can easily adjust the intensity, speed, and type of massage to suit your personal preferences.

# Full Body Airbags

## Extra Large & Thick Airbag

Deliver powerful, full-coverage compression, adapting to your body for improved circulation, deep muscle relief, and enhanced comfort.

## Arm Extension Airbag

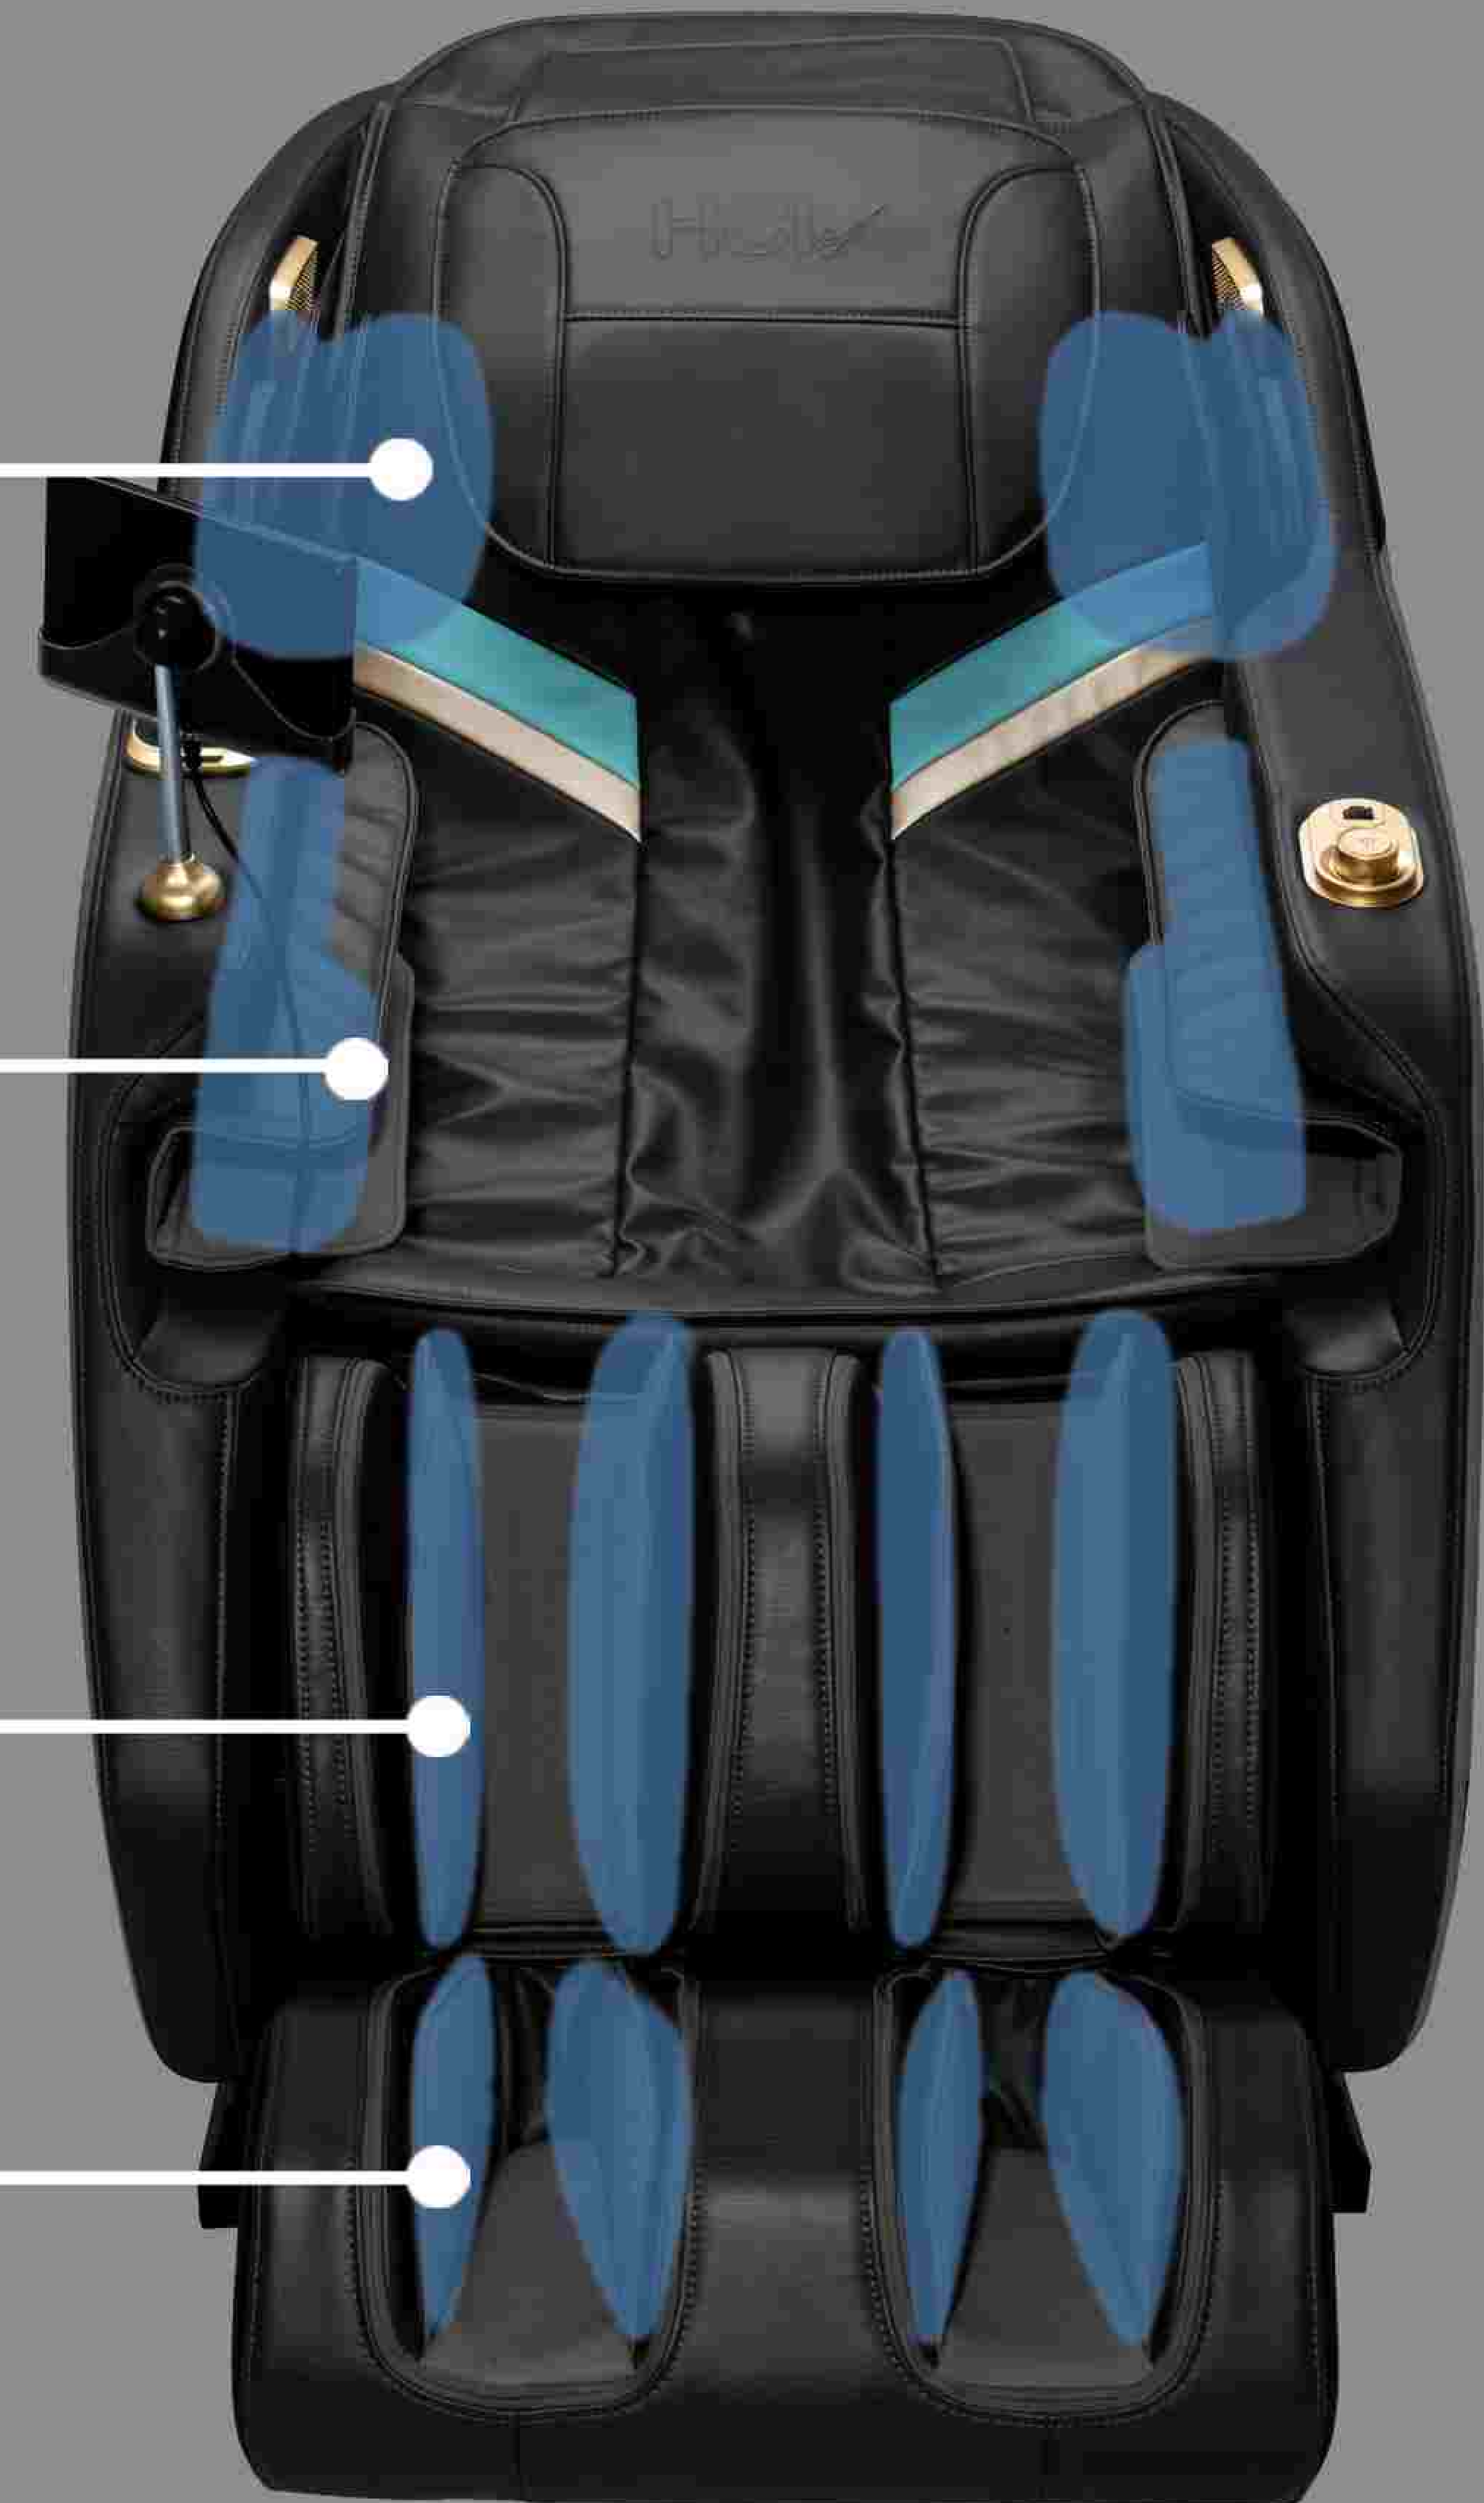

Provide targeted compression to stretch and relax arm muscles, improving circulation and relieving tension for a revitalizing experience.

## Calf Wrap Airbag

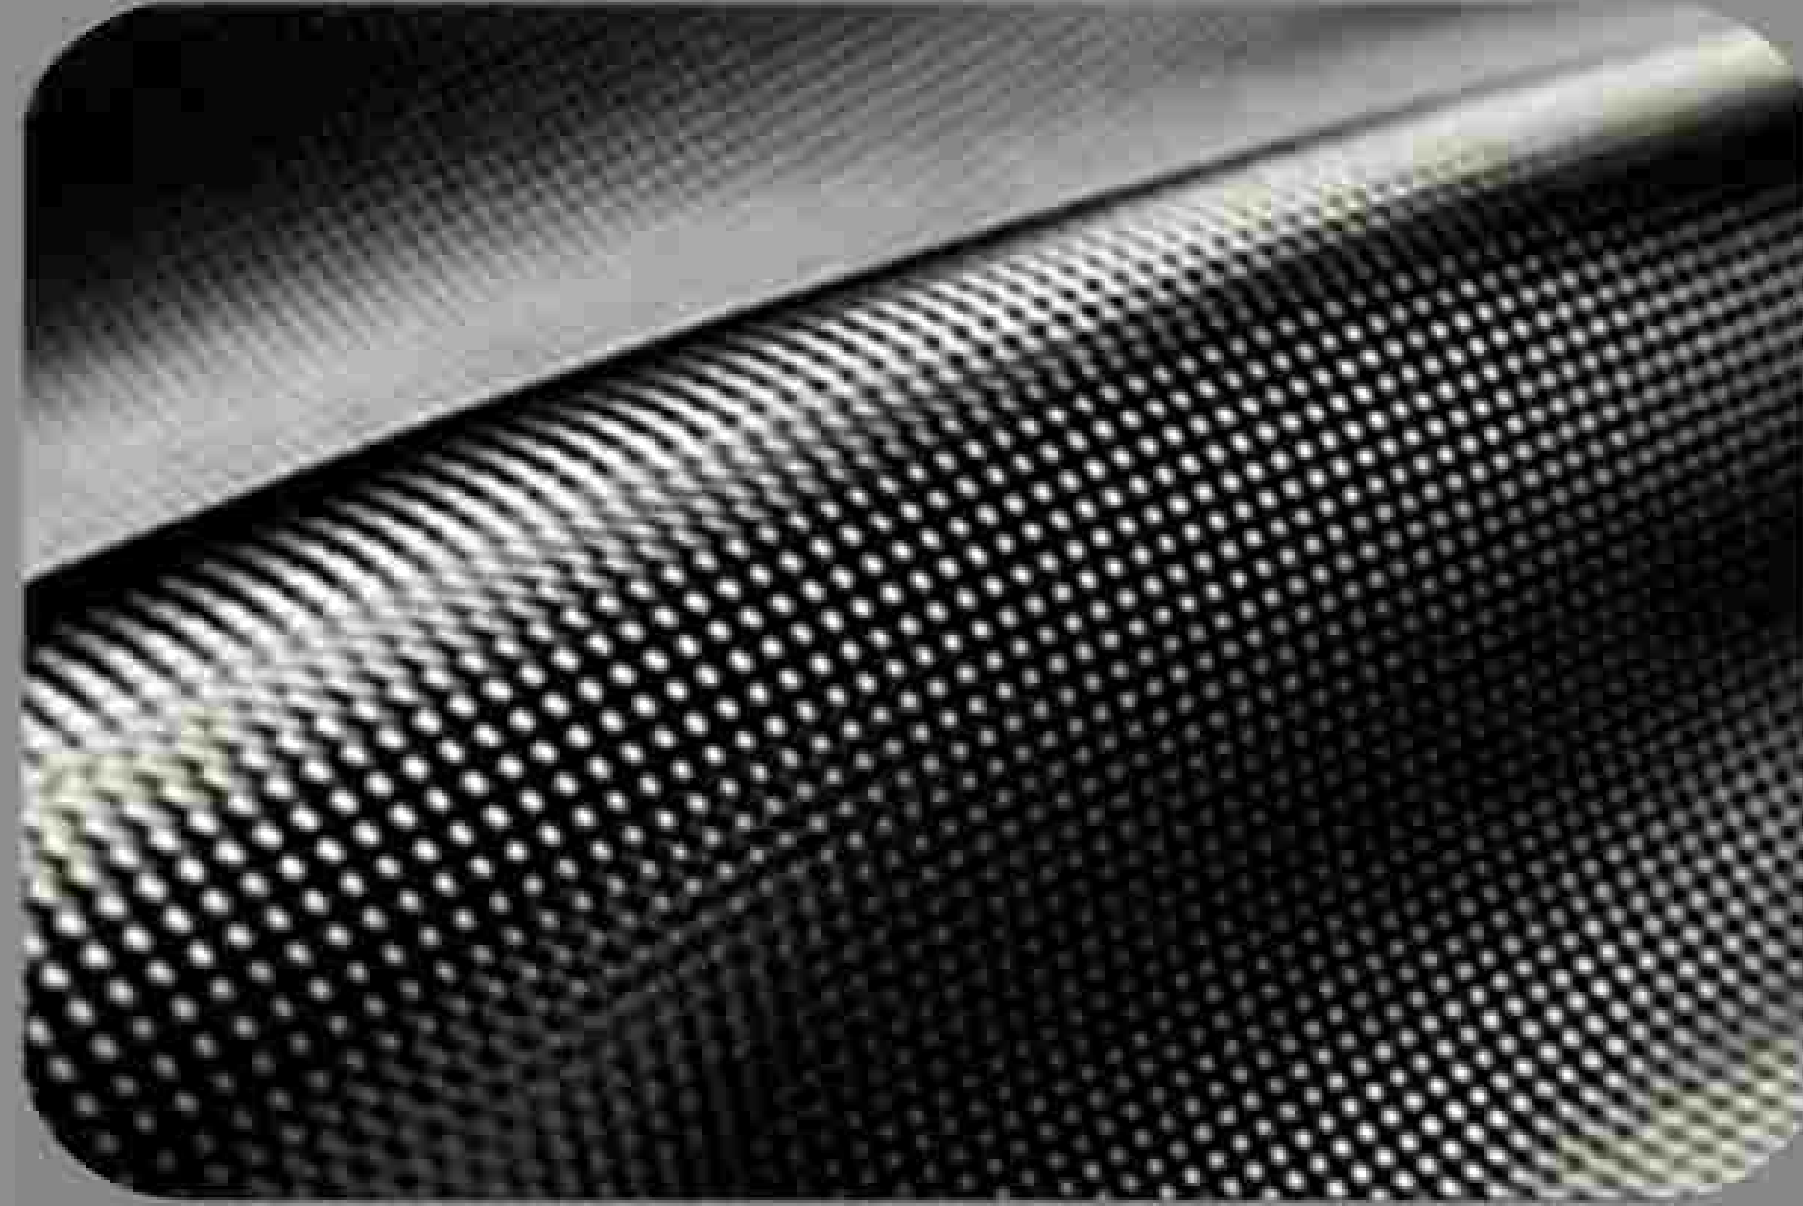

Provide full compression around the calves, gently massaging and relaxing muscles while enhancing circulation, reducing fatigue, and relieving tension for a soothing, invigorating experience.

## Full- Wrap Airbag for Feet

Experience soothing relief with Calf & Leg Airbag Massage – designed to improve circulation, reduce tension, and provide ultimate relaxation for tired legs

# Instant Experience of Soothing
