

eGenki Pro

Massage Chair

HC 1054

S & L Track Massage & Intelligent Sensing Technology

S & L Track

The 130 cm long S & L track ensures that the back rollers glide smoothly across your entire back, from your neck down to your buttocks.

Body Sensing Technology

By measuring your body shape, it fine-tunes the massage length and pressure to offer a tailored experience every time.

Full Body Airbags / Heating

Shoulder Airbag Massage

The Shoulder Airbag Massage gently relieves tension, eases stiffness, and provides soothing comfort to your shoulders, leaving you refreshed and stress-free.

Arm Airbag Massage

Experience soothing relief with Arm Airbag Massage—designed to gently compress and relax your arms, easing tension and improving circulation. Perfect for ultimate comfort and relaxation!

Leg Airbag Massage

Experience targeted comfort as airbags gently compress and release, relieving tension, improving circulation, and soothing tired legs

Back (Infrared Heating)

Experience soothing relief with Back Heating Massage – designed to ease muscle tension, improve blood circulation, and provide deep relaxation. Feel the warmth melt away
