

**HCI eNekku2**  
**Thermal Massage Pillow**

# Smart Heat Therapy for Everyday Relaxation

Transform your daily relaxation routine with the premium HCl eNekku2 Thermal Massage Pillow. Designed for modern lifestyles, this compact and portable massage pillow delivers soothing heat therapy and deep kneading shiatsu massage to help reduce neck, shoulder, back, and muscle tension.

Perfect for home, office, or travel use, the eNekku2 provides spa-like comfort anytime you need relaxation and recovery.

## KEY FEATURES

### Thermal Heat Therapy

Gentle warmth helps relax muscles, reduce stiffness, and improve blood circulation for enhanced comfort.

### Deep Shiatsu Massage

Advanced rotating massage nodes simulate real hand-kneading movements for effective muscle relaxation.

### Portable & Lightweight

Compact ergonomic design makes it easy to use at home, office, car, or while traveling.

### Easy & Safe Operation

Simple controls with built-in safety protection and automatic shut-off for worry-free relaxation.

## Benefits

- Relieves neck and shoulder stiffness
- Helps reduce muscle fatigue and stress
- Improves blood circulation
